

MedInvent, LLC Receives ISO 13485:2003 Certificate of Registration

September 7, 2016, Medina, OH. MedInvent, LLC received ISO 13485:2003 and CMDCAS Certificate of Registration as of 7 September 2016.

Obtaining the ISO 13485:2003 and CMDCAS Certificate of Registration is the first step toward a meaningful increase in MedInvent's presence in markets worldwide. It enables the filing for regulatory approval of the Nasoneb System in many countries where the NasoNeb System is not currently available.

The prescription-only NasoNeb Nasal Nebulizer is available through the NasoNeb Pharmacy Network of compounding pharmacies across the US and in select countries.

For more information, please visit the MedInvent, LLC website at www.nasoneb.com, where a copy of the certificate can be found.

This press release includes statements that may constitute "forward-looking" statements, usually containing the words "believe," "estimate," "project," "expect" or similar expressions. Forward-looking statements inherently involve risks and uncertainties that could cause actual results to differ materially from the forward-looking statements. Factors that would cause or contribute to such differences include, but are not limited to, continued acceptance for the Company's products in the marketplace, the effect of global credit and economic conditions on the ability and willingness of customers to purchase our systems, competitive factors, changes in government reimbursement procedures, dependence upon third-party vendors, and other risk. By making these forward-looking statements, the Company undertakes no obligation to update these statements for revisions or changes after the date of this release. There can be no assurance that the Company will recognize revenue related to its purchase orders and other commitments in any particular period or at all because some of these purchase orders and other commitments are subject to contingencies that are outside of the Company's control. In addition, these orders and commitments may be revised, modified or canceled, either by their express terms, as a result of negotiations, or by project changes or delays.
